

**ROBERT OLIVEIRA**  
DIMAN FACULTY  
MATH TEACHER (1972–2014)

Taught nearly every math course at Diman for 30 years, including Algebra, Trigonometry, Technical Math, and MCAS prep

Coached Golf and Freshman Baseball, building confidence and teamwork among student-athletes

Continued his impact post-retirement by tutoring struggling MCAS math students—with over 80% pass rate

A loyal supporter of Diman athletics, serving as a basketball home game attendant from 1980 to the present

***“Helping students believe in their ability to succeed - that’s the math that always added up to me.”***
